#### Public Comment

Kathy Woods-Fitzgerald presented a petition and court order that vacated Cyphert Road, which connects Brenneman Road and Leesburg Station Road. This vacated road runs through her family's property and is still considered an active road on GPS systems. Many cars, Amish buggies, and delivery vehicles try to travel this path and some get stuck in the yard. She is requesting the supervisors take action to resolve this issue. The township will place No Outlet and Private Drive signage at the ends of the vacated road.
